Our Mission

To provide year round sports training and athletic competition in a variety of Olympic type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills, and friendships with their families, other Special Olympic athletes, and the community.

Our Goal

To help persons with intellectual disabilities participate as productive and respected members of society at large, by offering them a fair opportunity to develop and demonstrate their skills and talents through sports training and competition, and by increasing the public's awareness of their capabilities and needs.

The Benefits

Athletes who participate in Special Olympics improve physical fitness and motor skills, develop self-esteem and confidence, make friends and increase family support. Special Olympic athletes carry these benefits with them into their daily lives at home, in the classroom and on the job. Families become stronger as they learn a greater appreciation of their athlete's abilities and community volunteers find out what a good friend the athletes can be.

Eligibility Requirements

Special Olympics training and competition is open to every person with intellectual disabilities who registers to participate in Special Olympics as required by the Special Olympics General Rules.

Geographical Area

Special Olympic programs are offered in all 83 counties in Michigan. Area 12 encompasses all of Allegan and Ottawa Counties. Area 12 currently has an average of 485 athletes involved in the program.

Volunteers

Area 12 relies on the dedicated support of more than 80 volunteers who offer their time and talents in a number of ways, including coaching, chaperoning athletes at events, assisting with fund raising and helping run local events and games.

Funding

Special Olympics Michigan is a non-profit organization supported entirely by private funding and without the support of state or federal funds. Generosity of Michigan organizations, individuals, and statewide businesses enable the program to continue.
