▲ During this promotion, for each new such checking account opened, Special Olympics will receive \$10 and an additional \$5 on each annual anniversary of the account opening, subject to a minimum balance requirement. Special Olympics will also receive 10 cents for every \$100 you make in qualified purchases with the Special Olympics branded debit card.

☆ Purchases with rewards or ATM cards are not eligible for matching. Upon enrollment, we will round up your MasterCard® or Visa® Debit Card purchases to the nearest dollar and transfer the difference from your checking account to your Bank of America savings account. We will match your Keep the Change transfers at 100% for the first three months after you enroll and, for Special Olympics customers, 5% thereafter. The maximum total match is \$250 per year. Matching funds are paid annually after the anniversary of enrollment on accounts that remain open and enrolled. We will only match Keep the Change transfers on up to five checking accounts per depositor (including joint depositors) or up to five checking accounts per household, whichever is less. Eligible savings accounts include, but are not limited to, Regular Savings (or Market Rate Savings in WA and ID) that requires a minimum opening balance of \$25 (\$1 in WA and ID) and pays a variable Annual Percentage Yield (APY) that was 0.10% as of 7/7/2010. Rates may change after the account is opened. Money Market savings accounts are also eligible. We may cancel or modify the Keep the Change service or any matching promotions at any time without prior notice. The promotional matching funds will be reported to the IRS on form 1099. Fees may reduce earnings. Patent pending. KTC 4.10
