OUR MISSION

To provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

OUR GOAL

To help persons with intellectual disabilities participate as productive and respected members of society at large, by offering them a fair opportunity to develop and demonstrate their skills and talents through sports training and competition, and by increasing the public's awareness of their capabilities and needs.

THE BENEFITS

Athletes who participate in Special Olympics improve physical fitness and motor skills, develop self-esteem and confidence, make friends and increase family support. Special Olympics athletes carry these benefits with them into their daily lives at home, in the classroom and on the job. Families become stronger as they learn a greater appreciation of their athlete's abilities and community volunteers find out what good friends athletes can be.

FUNDING

Special Olympics Michigan is a non-profit organization supported almost entirely by private funding. Generosity of organizations, individuals, and businesses enable the program to continue.

GEOGRAPHICAL AREA

Special Olympic programs are offered in all 83 counties in Michigan. Area 8 encompasses all of Ingham and Eaton Counties and serves 2,334 children and adults with intellectual disabilities, as well as Unified Partners.

VOLUNTEERS

Thousands of volunteers contribute their time, energy and expertise to make the Special Olympics program a reality in Michigan. Area 8 relies on the dedicated support of volunteers who offer their time and talents in a number of ways, including coaching, chaperoning athletes at events, assisting with fund raising, and helping run local events and games.

ELIGIBILITY REQUIREMENTS

Special Olympics Michigan training and competition is open to every person with intellectual disabilities who registers to participate in Special Olympics as required by the Special Olympics General Rules.
