Fit Feet 2021

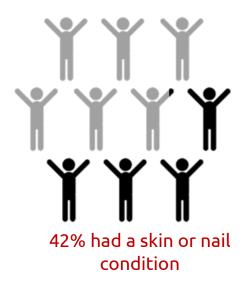

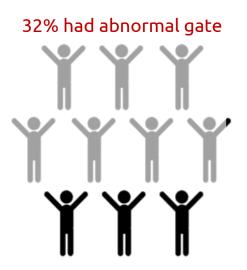

Special Olympics Fit Feet offers screenings to evaluate ankles, feet, lower extremity biomechanics, and proper shoe and sock gear to participating athletes. Fit Feet helps Special Olympics athletes step lively on the playing field, and in everyday life. Many athletes suffer from foot and ankle pain, or deformities that impair their performance.

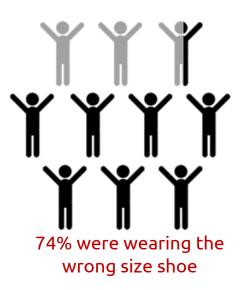

2021 Fit Feet data showed that out of the 185 athletes screened:

FUNfitness 2021

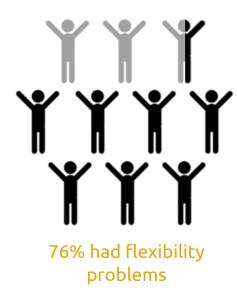

FUNfitness is the physical therapy discipline of Special Olympics
Healthy Athletes ® that addresses the ongoing health needs of Special
Olympics (SO) athletes. FUNfitness provides athletes the opportunity
to be screened for flexibility of hamstring, calf, shoulder rotator and
hip flexor muscles; functional strength of the abdominal and lower
extremity muscles; and balance.

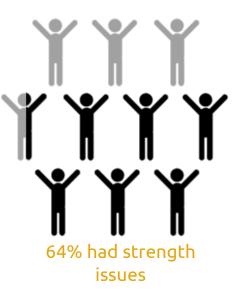

2021 FUNfitness data showed that out of the 25 athletes screened:

Healthy Hearing

The Healthy Hearing discipline of Healthy Athletes provides comprehensive hearing screenings and follow-up recommendations. The goals of the program are to inform athletes, parents, coaches or caregivers about the detection of possible ear and hearing problems, recommend follow-up as needed, and to promote the necessity of regular ear and hearing screenings.

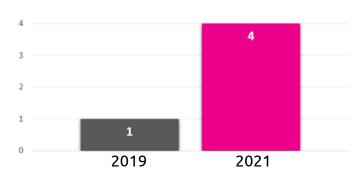

2021 Healthy Hearing data showed that out of the 123 athletes screened:

38% had a partially to fully blocked ear canal

Number of Healthy Hearing Events Offered

Medfest 2021

Special Olympics MedFest provides a free sports physical that all athletes need prior to participation. Exams assess blood pressure, temperature, pulse, height, weight, body mass index, vision, hearing, medical history, potential medication side effects and general physical health.

Global Importance and Impact:

90% of primary care residency programs in the U.S. offer no training in caring for people with intellectual disabilities

81% of graduating medical students in the U.S. report not having any training in the care of people with intellectual disabilities

Number of Physicals Completed 200 150 100 108 50 2019 2021

Opening Eyes 2021

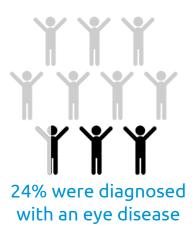

The Special Olympics Lions Clubs International Opening Eyes program is changing lives in communities across the globe by providing comprehensive eye assessments, prescription eyewear, sunglasses and sports goggles to Special Olympics athletes.

2021 Opening Eyes data showed that out of the 46 athletes screened:

44 Andrew glasses

46 Andria Received sunglasses
