

Between March 18 through March 29, 2026 the SpartanNash Foundation will launch its fundraising campaign to support Special Olympics athletes and State Summer Games in ten states. For 12 days, participating SpartanNash stores and fuel centers will work with our store guests to raise funds and awareness for our Special Olympics partners and the athletes that participate in training and athletic competition. Each store is partnering with the Special Olympics affiliate in their state – and 100 percent of all funds raised will go directly to that state’s Special Olympics partner at the conclusion of our retail fundraising campaign.
