OUR MISSION

To provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

OUR GOAL

To help persons with intellectual disabilities participate as productive and respected members of society at large, by offering them a fair opportunity to develop and demonstrate their skills and talents through sports training and competition, and by increasing the public's awareness of their capabilities and needs.

THE BENEFITS

Athletes who participate in Special Olympics improve physical fitness and motor skills, develop self-esteem and confidence, make friends and increase family support. Special Olympics athletes carry these benefits with them into their daily lives at home, in the classroom and on the job. Families become stronger as they learn a greater appreciation of their athlete's abilities and community volunteers find out what a good friend athletes can be.

FUNDING

Special Olympics Michigan is a non-profit organization supported almost entirely by private funding. Generosity of organizations, individuals, and businesses enable the program to continue. Area 20 has an annual budget of \$94,416.30 that funds year-round programs for the athletes.

GEOGRAPHICAL AREA

Special Olympic programs are offered in all 83 counties in Michigan. Area 20 encompasses all of Washtenaw County. Area 20 currently has an average of 1,068 athletes and Unified Partners involved in the program.

VOLUNTEERS
