OUR MISSION
To provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

OUR GOAL
To help persons with intellectual disabilities participate as productive and respected members of society at large, by offering them a fair opportunity to develop and demonstrate their skills and talents through sports training and competition, and by increasing the public’s awareness of their capabilities and needs.

THE BENEFITS
Athletes who participate in Special Olympics improve physical fitness and motor skills, develop self-esteem and confidence, make friends and increase family support. Special Olympics athletes carry these benefits with them into their daily lives at home, in the classroom and on the job. Families become stronger as they learn a greater appreciation of their athlete’s abilities and community volunteers find out what a good friend athletes can be.

FUNDING
Special Olympics Michigan is a non-profit organization supported almost entirely by private funding. Generosity of organizations, individuals, and businesses enable the program to continue. Area 20 has an annual budget of $94,416.30 that funds year-round programs for the athletes.
