When you click on "Load Settings" this "Select Saved Report" screen will appear. Chose the report you are trying to use. This screen is inside a game.

You may need to tweak your settings to reflect if you only want your delegation or a certain event.

Once you are in the game, click on the tab "Report", the different options will appear.

Advanced custom will create a detailed list of athletes/partners attending the game with their event information

Summary/Crosstab is a spreadsheet report that is created to be opened in excel
