On the left hand sign under reports, click on heat sheets

Printing Heat Sheets

The screenshot shows the 'Select saved report' dialog box in the 'Basic Heat Sheets - Individual' application. The dialog has a table with the following columns: Name, Keywords, Last changed, Spots, Owner, and Other. The table lists various reports, including '2017 All Truck & Field Heat Sheets 05-06-17', '2017 All Truck & Field Heat Sheets 05-06-17', '5160 Heat Sheets', '5160 SWS-CC Labels', '5160 Wristbands Test - Rick & Michele', 'A01 Labels for Ribbons', 'A01 Labels for Ribbons', 'A01 Swim Meet 5160 Labels for Ribbons 4 25 17', 'Condensed Heat Sheets - Individual', 'Division Checklists', 'Match lists', 'Multiple up heat sheets - Individual', 'Multiple up heat sheets - Individual', 'Multiple up heat sheets - Individual', 'Multiple up heat sheets - Individual 3 attempts', 'Start lists', 'Tournament brackets', and 'Tournament routines'.

The 'Load settings' button in the top left corner of the main window is highlighted with a red arrow pointing to the 'Select saved report' dialog box.

Click on "Load settings" located in the top left hand corner and the "Select Saved Reports" screen will appear, select the heat sheet you want to use

Example Multiple heat sheet – individual

You may have to click on a few until you find the exact one you want

Printing Heat Sheets

[illegible]

Your screen will become populated with the heat sheet settings, click print in the lower right hand corner and the heat sheet will appear.

You can select print from this screen and print your heat sheets.
