

## Unified Champion Schools Liaison Facebook Group How-To

Hello Unified Champion School liaisons! Welcome to the family. We have created a Unified Champion Schools liaisons of Michigan Facebook page to create opportunities to collaborate, gain ideas, and build community. We hope this can be used to find new schools to compete with in Unified sports, gain new ideas, and lean on each other for support! Please feel free to forward the information to join onto other UCS leaders in your school such as your Unified coaches, athletic directors, or other peer leaders of yours.

### HOW TO JOIN:

→ **Option one:**

Join via link: <https://www.facebook.com/groups/ucsmi/>

→ **Option two:**

Send an email to [k.kuczynski@somi.org](mailto:k.kuczynski@somi.org) to be added manually via email invite

### HOW TO USE:

The “Discussion” tab will be your main hub on this page. Here you are able to ask questions to the group, comment to others, and use this as a means of communication with liaisons across the state. Special Olympics Staff will be sure to post updates and opportunities here as well.

The “About” tab will have a description of our Facebook group, as well as a link to a Liaison Google Drive. The drive will house resources, forms, reporting links, data and research about UCS, and more! Some documents will be marked “EDITABLE” which means you are welcome to contribute to those documents to help give other liaisons new ideas to implement in their schools. If there are any resources that would be helpful to have uploaded that are missing please let Kayla know at [k.kuczynski@somi.org](mailto:k.kuczynski@somi.org)

This page is yours! Feel free to post, ask questions, and utilize as you see fit. We are excited to be able to create more lines of communication, and opportunities to collaborate and build relationships with other Unified Champion Schools!

---

We hope this will be a helpful tool to collaborate and support the network of amazing Unified Champion School liaisons we have across the state of Michigan, as well as centralize resources for you. If there is ever anything else that would be helpful to have in our Facebook Group space, feel free to email Kayla and [k.kuczynski@somi.org](mailto:k.kuczynski@somi.org)

**THANK YOU FOR ALL YOU DO!**
